

# National Emergency Communications Plan (NECP) Requirements Applicable to States - State of Arizona Status & Applicable SCIP Initiatives

NECP Reference	NECP Requirement & Milestone	State of Arizona Status & SCIP Initiatives
Page 12 Objective 1 Initiative 1.1 Milestone 2	By 7/31/09, establish a full-time statewide interoperability coordinator or equivalent position.	<ul style="list-style-type: none"> <li>▪ Completed</li> <li>▪ <u>Relevant Related SCIP Initiative:</u> <ol style="list-style-type: none"> <li>1. Expand &amp; Implement Interoperable Communications Governance Model &amp; Plan</li> </ol> </li> </ul>
Page 13 Objective 1 Initiative 1.1 Milestone 5	By 7/31/09, the SIEC (or equivalent) should incorporate the recommended membership as outlined in the SCIP Guidebook and should be established via legislation or executive order by an individual State's governor.	<ul style="list-style-type: none"> <li>▪ Completed - The Public Safety Communications Advisory Commission (PSCC) has legislative authority.</li> <li>▪ <u>Relevant Related SCIP Initiative:</u> <ol style="list-style-type: none"> <li>1. Expand &amp; Implement Interoperable Communications Governance Model &amp; Plan</li> </ol> </li> </ul>
Page 14 Objective 1 Initiative 1.3 Milestone 2	By 7/31/09, tactical planning among Federal, State, local, and tribal governments occurs at the regional interstate level.	<ul style="list-style-type: none"> <li>▪ Regional communities are responsible for tactical planning for their region.</li> <li>▪ We will try to increase regional involvement in PSCC/SIEC over the next year through our Governance, PSP's, Planning &amp; Outreach Initiatives.</li> <li>▪ <u>Relevant Related SCIP Initiatives:</u> <ol style="list-style-type: none"> <li>1. Expand &amp; Implement Interoperable Communications Governance Model &amp; Plan - Develop TICPs and utilization of CASM</li> <li>10. Establish Policies, Standards, Procedures Framework and implement PSPs, including SOPs, for statewide interoperable communication solutions.</li> <li>11. Develop &amp; Implement Communications Training &amp; Exercise Plan</li> <li>12. Create and implement an education and communications outreach plan in support of expanding interoperability</li> </ol> </li> </ul>
Pages 21-22 Objective 3 Initiative 3.1 Milestone 6	By 1/31/10, programs an appropriate set of frequency-band-specific nationwide interoperability channels into all existing emergency responder radios and preprograms an appropriate set of frequency-band-specific nationwide interoperability channels into emergency response radios that are manufactured or purchased through Federal funding as a standard requirement.	<ul style="list-style-type: none"> <li>▪ Establishing national interoperability channels is a federal initiative (Objective 3, Initiative 3.1, Milestone 5).</li> <li>▪ In Process.</li> <li>▪ <u>Relevant Related SCIP Initiative:</u> <ol style="list-style-type: none"> <li>4. Complete Deployment of AIRS</li> <li>10. Establish Policies, Standards, Procedures (PSP) Framework and implement PSPs, including SOPs, for statewide interoperable communication solutions.</li> </ol> </li> </ul>

# National Emergency Communications Plan (NECP) Requirements Applicable to States - State of Arizona Status & Applicable SCIP Initiatives

NECP Reference	NECP Requirement & Milestone	State of Arizona Status & SCIP Initiatives
Pages 21-22 Objective 3 Initiative 3.1 Milestone 7	By 7/31/10, SCIP reflect plans to eliminate coded substitutions throughout the ICS, and agencies incorporate the use of existing nationwide interoperability channels into SOPs, training, and exercises at the Federal, State, regional, local, and tribal levels.	<ul style="list-style-type: none"> <li>▪ Establishing national interoperability channels is a federal initiative (Objective 3, Initiative 3.1, Milestone 5).</li> <li>▪ In Process.</li> <li>▪ <u>Relevant Related SCIP Initiatives:</u> <ol style="list-style-type: none"> <li>1. Expand &amp; Implement Interoperable Communications Governance Model &amp; Plan - Conduct an Annual SCIP Review</li> <li>10. Establish Policies, Standards, Procedures (PSP) Framework and implement PSPs, including SOPs, for statewide interoperable communication solutions.</li> <li>11. Develop &amp; Implement Communications Training &amp; Exercise Plan</li> </ol> </li> </ul>
Page 22 Objective 3 Initiative 3.2 Milestone 1	By 7/31/09, all Federal, State, local, and tribal emergency response providers within UASI jurisdictions have implemented the Communications and Information Management section of the NIMS.	<ul style="list-style-type: none"> <li>▪ This initiative applies to UASI jurisdictions only, not the entire State.</li> <li>10. Establish Policies, Standards, Procedures (PSP) Framework and implement PSPs, including SOPs, for statewide interoperable communication solutions.</li> <li>11. Develop &amp; Implement Communications Training &amp; Exercise Plan <ul style="list-style-type: none"> <li>- Implement COML/COMT training program</li> </ul> </li> </ul>
Page 36 Objective 7 Initiative 7.2 Milestone 4	By 7/31/10, complete disaster communications training and exercises.	<ul style="list-style-type: none"> <li>▪ Disaster communications training and exercise is an ongoing activity of ADEM and local emergency managers.</li> <li>▪ <u>Relevant Related SCIP Initiative:</u> <ol style="list-style-type: none"> <li>11. Develop &amp; Implement Communications Training &amp; Exercise Plan</li> </ol> </li> </ul>
Page 37 Objective 7 Initiative 7.2 Milestone 5	By 7/31/10, all Federal, State, local, and tribal agencies in UASIs will have defined alternate/backup capabilities in emergency communications plans.	<ul style="list-style-type: none"> <li>▪ This initiative applies to UASI jurisdictions only, not the entire State.</li> <li>▪ <u>Relevant Related SCIP Initiatives:</u> <ol style="list-style-type: none"> <li>1. Expand &amp; Implement Interoperable Communications Governance Model &amp; Plan - Develop a comprehensive Emergency Communications Plan to addressing regional emergencies, catastrophic loss and mass evacuation; Develop TICPs and utilization of CASM</li> <li>7. Implement the State Strategic Technology Reserve (STR)</li> </ol> </li> </ul>
